## HISTORY, VISION, MISSION

### HISTORY

Virginia Bible College (VBC) is a small church-based bible college established by Grace Church in 2011. Dr. Derek Grier currently serves as the founding pastor of Grace Church and the church is currently one of the nation's fastest growing congregations in the US. It was founded in 1998 with only 12 people and has grown to several thousand and serves people throughout Northern Virginia, DC and Maryland.

Over 10 years ago, Dr. Grier had a vision to offer Christian-based education and leadership development to individuals who wanted to gain a deeper understanding of biblical truths and how to apply that understanding to their lives, as well as impact the world for Christ. In 2011, he took a leap of faith and established VBC.

The College has seen steady growth since its inception, which culminated in its first graduating class (both Master's and Bachelor's level) in the spring of 2013. As VBC evolved, many of its students, including veterans and federal workers, desired to receive federal aid to fund their matriculation there. Thus, a need for accreditation became apparent and VBC has embarked upon the accreditation process with a nationally recognized accrediting agency.

### MOTTO

"Educating the Whole Person, Seeking the Whole Truth, to Impact the Whole World"

### VISION

Virginia Bible College will be a premier Christian learning institute that intentionally develops the whole person for worldwide impact.

### MISSION

Virginia Bible College exists to equip students with biblical truth, spiritual discipline, and practical knowledge to effectively serve and lead in the church and/or marketplace.

## PHILOSOPHY, CORE VALUES, BELIEFS, & PRINCIPLES

### Philosophy of Education

Virginia Bible College views the direct study of the Bible as the primary means to a successful life and ministry. In its entirety, the educational and practical experience of the College is designed to enable students to know the Word of God, to apply it to every aspect of life and to minister it effectively to the world.

The College is founded upon and shall forever be dedicated to the declaration and preservation of Biblical Christianity and academic excellence. The College is a Christian institution with the distinctive free reign of the Holy Spirit, which encourages the expression of the gifts and fruit of the Holy Spirit.

The College is committed to the historic Christian faith of the eternal Godhead: Father, Son, and the Holy Spirit who, through the new birth and indwelling of His Spirit is Lord of our lives now and forever. The College is resolved to assist students in their quest for knowledge of their personal relationship to God, to mankind and to the world in which we live. Dedicated to the realization of truth as it is totally embodied in Christ and the achievement of one's potential life capacity, the College seeks to graduate a "whole" person: a whole person seeking the whole truth to impact the whole world.

To accomplish these purposes, the College endeavors to offer a systematic, spiritual, scholarly study of an array of biblical subjects to contribute to spiritual maturity, effective leadership, deeper worship, and a career in church ministry. Further, the College seeks to facilitate leadership in the local church, employment, and/or entrepreneurship. Our combination of instruction in profound biblical and theological issues, as well as leadership preparation for ministry and Christian living provides a holistic educational experience that will equip students for Christian service.

### Core Values/Commitments

Consistent with our Vision, Mission, and Philosophy of Education, Virginia Bible College is:

- Committed to whole-person education
- Committed to declaration and preservation of biblical Christianity
- Committed to academic and institutional excellence
- Committed to a biblical foundation
- Committed to a spiritual foundation
- Committed to a practical foundation
- Committed to develop students for ministry and servant-leadership

## Doctrinal Beliefs

Virginia Bible College is a direct extension of Grace Church and thus, adopts all of its beliefs. In order to qualify for any position at Virginia Bible College (i.e., Board member, faculty, administration, staff, volunteers, etc.), individuals must whole-heartedly acknowledge and live by the following core beliefs:

- The Holy Bible: The Holy Bible is the Word of God – originally given by God, divinely inspired, infallible, entirely trustworthy, and the only supreme authority in all matters of faith and conduct. (II Timothy 3:16).
- One true God: The one true God externally exists, manifest in three persons: Father, Son, and Holy Spirit. (Mark 12:29, Matthew 28:19, Deuteronomy 6:4).
- The Lord Jesus Christ: Jesus Christ- God manifest in the flesh, His virgin birth, His sinless human life, His divine miracles, His bodily resurrection, His ascension, His mediatory work and His personal return in power and glory. (John 1:14, Luke 1:26-38, Hebrews 4:15, John 2:11, Luke 24:39, John 1:29, Acts 1:9-11).
- Redemption: The fall of man and his need for Redemption. (Genesis 1:26-31, 3:1-7, Romans 3:23-24).
- Salvation: The Salvation of the lost and sinful man, apart from works, through faith in the blood of Jesus Christ. (Titus 3:5-7, Romans 3:28).
- Baptism: Baptism in water by immersion. (Matthew 28:19, Colossians 2:12).
- The Holy Spirit: The fullness of the Holy Spirit and perpetuity of spiritual gifts. (Luke 24:49, Acts 2:4, Acts 10:44-46, Hebrews 13:8, I Corinthians 12:7-11).
- The Lord's Supper: We believe in the participation in the Lord's Supper through receiving the communion elements and all they represent. (Luke 22:19, I Corinthians 11:23-26).
- Lifestyle & Worship: Right living, giving, and loving others are a vital part of worship. (Hebrews 12:14, Proverbs 3:9, Malachi 3:8-10, Luke 6:38, Hebrews 7:8, Matthew 22:36-40; 23:23).
- The Resurrection: The Resurrection of both the saved and the lost. The saved unto the resurrection of life, and the lost unto the resurrection of damnation. (Luke 16:19-31, Mark 16:16, Revelation 20:11-15).
- Sexual Purity: Sex is sacred and designed to both distinguish and strengthen the marriage bond. God's will, as revealed in Holy Scripture, is between one man and one woman and celibacy in all other relationships. Nonetheless, Grace Church loves and invites all who participate in any form of immorality, sexual or otherwise, to attend our church services. However, in an effort to preserve Christian integrity, until the fruit of true grace is demonstrated in the individual's personal beliefs and sexual life, such are NOT eligible for either ordination to the Gospel ministry, to serve in elective or appointed ministries, or employment with Grace Church or any of its affiliate organizations. (Hebrews 13:4, Matthew 19:5, Romans 5:8, John 6:37, Titus 2:11-12, 2 Timothy 2:19).

## STATEMENT OF ACADEMIC FREEDOM

Libraries have a long history of defending freedom of expression. In this regard, the K.P. Memorial Library subscribes to this philosophy as it has been set forth in the American Library Association's Bill of Rights.\* In the interests of research and learning, it is essential that collections contain materials representing a variety of perspectives on subjects that may be considered controversial. Freedom of information and of creative expression is a cornerstone belief of the VBC College and K.P. Library.

The Virginia Bible College Library does not endorse all the ideas expressed in resources accessible in the collection and does not promote bias in the form of censorship. Library staff teach library research skills to individuals and groups and allows the students to reach their own conclusions through free inquiry. In this way, the K.P. Library encourages students to broaden their perspective of the issues addressed in our curriculum and the universe.

The K.P. Library respects the privacy of library users. Policies are in place that maintain confidentiality of library borrowing records and of other information relating to personal use of library information and services

\*Adopted by: ALA in 1948, amended in 1961 and 1980 and reaffirmed in 1996

### Course Reserves

Faculty members can place course reserve items, books, articles and other materials on reserve for students to read for a course. These materials are shelved at the course reserved shelves in the library and may be checked out depending on the requirement of the course.

### Library Web Page

The Library provides access to its resources via the library webpage. The library webpage is an important access point to general information about the library as well as the collections, services and instruction available through the library. The Library web page link is located on the VBC main web page.

The library catalog is searchable through Populi. To access the catalog, click the “myVBC” button, then click the “Library” tab. To access databases and other resources, click the “Links” tab located at the top of the catalog page. Assistance in searching the catalog or in locating an item on the shelves is always available from the library and technology staff. Some available databases are listed below:

- EBSCO Database – Religion and Philosophy collection
- American Doctoral Dissertations
- RIM (Research In Ministry)
- HighWire
- FindArticles
- Worldcat

Worldcat is an excellent site to use when searching for an item when one does not know which library has it. WorldCat searches thousands of libraries around the world and sorts the search results by proximity to your location. With this information, one can then contact the library to find out its policies regarding usage and borrowing of its physical and digital resources.

### Interlibrary Loan Service

Interlibrary loan (ILL) is a means of borrowing books or obtaining photocopies of periodical articles from other libraries when the K.P. Library does not own the title. Currently, the K.P. Library does not offer this service. We have placed this service as a high priority service for our community and we expect to have it available before the end of this school year.

However, the Prince William Public Library offers ILL service to its patrons for \$3.00 for filled request. Please see page 16 for eligibility requirements for a library card.

## K.P. Memorial Library Handbook

### Distant Patron Service

- A. The library staff will scan and email up to 20 pages of an available non-circulating print item, up to 15 pages or up to 10% of one chapter (whichever is less) of an available circulation print item to VBC students, faculty, and staff if the patron lives at least 45 minutes away from VBC.
- B. The patron must allow the library staff 24 hours from the time of the request, not including weekends and days closed, to fulfill the request.

### Reference Services

Reference and research assistance is available to all library users by phone, email, and in person. Due to the small staff size of the library, appointments are recommended for extended reference sessions.

## LIBRARY CLASSIFICATION SYSTEM

The K.P. Memorial Library uses the Library of Congress classification system like most college and research libraries. This classification system determines how books are organized on the shelf and categorizes them according to predetermined subject headings.

## COLLECTION DEVELOPMENT: SELECTION

The K.P. Memorial Library provides resources that support the educational and instructional needs of the Virginia Bible College and its students, faculty, and staff. We also serve other authorized users to include alumni, community clergy and guests.

This library collection development policy is designed to:

1. Provide foundation and criteria for building the current collection,
  2. Provide continuity regardless of staffing changes in library or administrative positions,
  3. Promote standards and guidelines consistent with the Library's and VBC's stated mission.
- Priority is given to selecting materials that support the academic, professional, and pre-professional curriculum of the VBC college, particularly as they reflect the needs of classroom instruction and student preparation for classes. Attention is given to collection development of recreational and popular materials only when funding allows.
  - Biblical studies, theology, and the various practical disciplines that are by products of these classes are the primary and central subject areas of the library collection.
  - The library generally does not provide permanent research collections for faculty except in those subjects corresponding to the majors offered by the college. For all other disciplines faculty are encouraged to seek research materials through ILL or at nearby academic institutions.
  - The Library Director select library materials at the recommendation of faculty members and, by special request, students. This selection process takes place each semester, with allotments and deadlines for ordering set by the Library.
  - The library intentionally does not duplicate most materials held by the Public Library; however, duplicate items may be acquired if the Library Director consider these to be indispensable resources or because of high demand.
  - The library generally does not purchase textbooks unless a title represents the best source of information in that field. In that case only one copy shall be purchased.
  - The library obtains information resources in formats that are deemed the most appropriate, useful, and cost-effective. Reference works, in particular, are purchased in electronic format, in preference to or to supplement equivalent print works. The Library Director will make the decisions regarding these purchases.
  - The library subscribes to various electronic databases. The librarians will review the title list annually to assess the databases' usage by and value to the VBC community. This data will be used to help determine renewals and cancellations.

## K.P. Memorial Library Handbook

### CHALLENGED OR QUESTIONED MATERIALS

**Objective/Purpose.** The K.P. Library shall provide materials that may present divergent philosophies and points of view in addition to VBC and Christian world view.

Ownership/access of any work should not be interpreted as an endorsement but should be viewed as an opportunity for the student to experience a wide range of knowledge in all disciplines and conduct primary research at the graduate level.

All current students, faculty or staff members challenging the worth of a resource will be asked to put in writing their views.

(See Statement of Academic Freedom, p.3).

**Tasks and Workflow.** In the case of a current student, faculty or staff member challenging the worth of a material:

- He will be asked to put in writing his view.
- The Director of Library Services will reply in writing.
- If questions continue, the Director of Library Services may choose to request a review of the item by the academic department chair in which the material may be most relevant.
- If the matter is still not resolved to the satisfaction of the complainant, the matter can be submitted in writing to the Academic Dean for final evaluation.
